PARKASH SOLANKI

Aspiring Web Developer with a Passion for Coding

About Me

My passion for web development brought me to [DHA Suffa University] where in working on my bachelor's degree. I'm honing my skills in web development, particularly focusing on HTML, CSS, and JavaScript to install and test user interface elements on responsive websites.
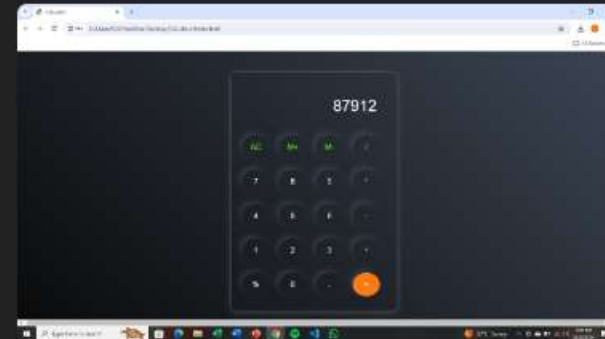

My Skills

HTML & CSS   JavaScript

Projects

Hostar clone

I have created a Hotstar clone using HTML and CSS. The project is a replica of the Hotstar website, showcasing my skills in front-end development. The clone includes features such as responsive design, layout, and styling, demonstrating my proficiency in HTML and CSS

Calculator

I have developed a calculator using HTML, CSS, and JavaScript. The project encompasses a fully functional calculator interface with responsive design, demonstrating my proficiency in front-end web development. The calculator includes arithmetic operations, clear functionality, and a user-friendly interface, showcasing my skills in HTML, CSS, and JavaScript.
